

WHO ARE WE?

The Shoe Fly stores offer personal fitting, a large selection of quality footwear in sizes and widths, and the friendly, well-trained staff to provide individual service. Many of our customers shop with us because they enjoy the experience, and in most instances shop with us because we are the best place to meet their footwear needs.

WHY SHOE FLY?

We often refer to ourselves as a “family business.” Unlike much of the competition, we encourage full-time employment and strategically provide competitive compensation and benefits that will allow our employees to consider our business as a career. We encourage professional development so that our employees are better able to provide personal service to our customers - as we consider them to be a part of our "family," too. Because we hold the customer experiences in high regard, we also hold our employee training and service to a high set of standards
